Don't delay in coming in and paying your accounts with John P. Tippet. Payment must be made. I will be at the office daily for such purpose.

31-33 Miss Mollie Tippet.

Someone stole one whole ham and part of another from the residence of Fay Halliburton at Brunswick one day last week. Other places were approached but the robbers got nothing more.

Miss Lorena Accola of Mendon has gone to Boulder, Colo., where she will attend the University of Colorado. Her brother, Alvin, accompanied her and he returns to the Missouri University.

Jim Lee Thrash went to Brookfield Saturday to play with the Brookfield ball team. He had to go via Chillicothe and made a 100 mile trip of it both coming and going as a result of the high waters.

Dr. Fetzner returned to Kirksville this week to take a few months of special work in surgery and then will return to this locality again. He expects to be at home in Dalton each Saturday and Sunday.

Leopold Smutz of Carroll county is feeding a bunch of cattle on new corn. His farm is on the higher ground and he has better corn than he had a year ago and it is matured sufficiently for feeding purposes.

The Price park is getting to be a good place for sitters, these warm summer nights? During the cold weather the park lost a little of its prestige but the warm evenings are bringing out those who love to get next to nature.

## Biliousness and Constipation

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.

Brunswick reported a good enrollment of students this fall. Of these 59 are in the high school and 18 of these are from outside the district. A number of others have signified their intention of entering the high school this year.

The rainfall of last Friday night measured 2.1 inches. That made more than 6 1-2 inches that fell in the two rains last week and brought the creeks up. This registration was correctly made Dr. Dewey with accurate implements.

The 98th annual session of the Mt. Pleasant Association of the Baptist church was held September 1 at Yates in Randolph county. The next session is to be in the Mt. Salem Baptist church south of Huntsville in September 1916.

Adolph J. Untermacher of near Brunswick and Miss Ida Parks of near Salisbury were married at the bride's home by a minister from Mussel Fork. They are living at present with the groom's parents, five miles north of Brunswick.

Henry C. Frederich of Mascoutah, Illinois and Miss Amelia Isert were married at the St. Joseph Catholic church at Salisbury Tuesday morning of last week. The bride is a daughter of Mr. and Mrs. Lawrence Isert of north of Salisbury.

Tuesday evening three Mexicans tried to rob the Mercantile store at Mendon. One man got two suits of clothes in his suitcase when one of the clerks grabbed the case as he was leaving and he departed without the receptacle or contents.

Mrs. Roy W. Rucker, daughter and son and Mrs. Geo. Kuhn arrived last Saturday morning from W. Virginia. Mrs. Kuhn left that afternoon for her home near DeWitt. The storm of Friday night was still going some at 4 a. m. when they reached here.

Lightning struck a tree and ran down a post next a window at George Applegates residence last Friday night, breaking the window and missing Herbert Applegate by only a foot or two while he slept next the window. He made many good resolutions Saturday.

A note was found in a box car at Moberly dated May 10, wherein it stated that the writer intended to jump off the car into the Mississippi river. Whether the fellow did and how the note came to be there is unknown to the finders. He planned to go off the bridge at Quincy.

Charles Shire jr. of Salisbury has left there, going last week to Lincoln, Neb., where he will work in the store owned by Eli Shire. His wife and her mother Mrs. Moore will follow soon. Mr. Shire has lived in Salisbury for twelve years and in that time has made many friends who will regret losing him to the town.

The new drains alongside the roads which were made by the street-cleaning force were given a tryout during the last week made good. They handled the water in good shape and with the speed that the fall of the ground gave them. There has been some pretty good work done on the roads in this vicinity this fall.

A correspondent says that the farmers are nearly ready to fill their silos. Many of them are pulling the corn and using only the stalks and leaves for the silage. They claim that when the latter process is used it makes a more desirable feed for the cattle who have less bowel trouble than when the entire corn is cut up for ensilage.
